## From Our Pastor...

### HOLD ON TO WHAT IS GOOD

This phrase, from Paul's letter to the Romans 12:9, is a translation from the NIV; the NRSV has, "hold fast to what is good." Particularly in the complex, fast-paced world in which we now live, Paul's counsel is quite appropriate. Amidst the countless options and choices placed before us on a daily basis, it is imperative that our handle of life's demands and opportunities be situated squarely upon a sure and certain foundation that we can trust fully. Living in today's world can be quite risky; each time we give of ourselves and what matters most to us in the choices we make, we enter with some risk- in our relationships, our activities, our hopes and dreams. For Paul, holding on to what is good finds its sure and certain dependability, that is, its source and solid foundation, in and upon Jesus Christ.

Paul understands that we Christians are to locate goodness or the "good" not in ideas, concepts, or even in "things." Experiencing goodness or being and doing good is to be found and realized in our relationship with Jesus

Christ, who is for us our Lord and guide. In the presence of evil, we are called to hold on to the very real presence of the Risen Jesus who alone is the embodiment of what is good. When confronted by malicious ideas and malevolent characters, we are called to hold on to Jesus who died on account of the prevalence of sin throughout the world but was raised for our remission and hope. In the face of uncertainties, doubts, difficult and challenging choices, and questionable practices, we are called to hold fast to the teachings and counsel of Jesus, who by his Spirit is able to lead and guide us to make "good" decisions and to engage in "good" behaviors.

In the world in which we live, filled with self-serving and self-promoting notions, it seems as though so many ideas and things pass for "good." In this age of populism and individuality, we hear that it is necessarily "good" to "feel good" about yourself. The world often promotes the attainment of such goodness through the avenues of pride and pleasure, status and success. This worldly conceptualization of the "good" is often marketed as something that can be

accessed through some "cost," be it ambition, effort, or "buying" into a product or process that will deliver the "goods." So often, these worldly notions of what passes for "good" are subject to whim and fancy, wishful thinking and fad.

On the other hand, Paul assures us that as we hold on to what is good, that is, the living presence of Jesus and what he has to teach us in order for us to be led to that which guarantees the fullness of life, we will truly experience the "goodness" that God can alone promise and deliver. As we hold on and hold fast to "Jesus," Paul counsels us, the church, to "love each other deeply" (Rm. 12:10), "honor others more than yourselves" (Rm. 12:10), and "share with God's people in need" (Rm. 12:13). Goodness in the world and being and doing good are both possibility and reality as long as we hold on to the "good," that is, the living presence of Jesus himself within us and all around us.

May we all be reminded of what is possible when we put our ultimate trust and hope in the living presence of Jesus.

Blessings,  
Pr. John

## Heartfelt Thanks

To Our Wonderful Christ United Lutheran Church Family,

We would like to thank everyone for the kind words, cards, food and especially all the prayers we received during the recent loss of my wonderful father. Thank you for all the love and support you gave us during this difficult time. "God Bless You All."

--Dayna and Dave Bickhart

(CULC) Your kind expression of sympathy is gratefully acknowledged and deeply appreciated. Thank you to all that provided our family with a wonderful meal as well as the opportunity to visit with family and friends. Your service to the church will always be appreciated.

--The Family of Jean Buoy

Dear Pastor John,

I want to thank you for your visits to Riverwoods when I was in there for therapy after my back surgery and then again for coming to Buffalo Valley to visit me once again when I was in there for therapy after my illness with Cellulitis. I appreciated them all.

I also want to thank you for being there for me when they told me about the passing of my husband Richard. I really needed support like you gave me. I also appreciated your presence the day of his funeral. It also meant a lot to me.

I also want to thank the members who took the time to sign the Birthday card and get well cards they sent me when I was still not feeling well. Those were greatly appreciated.

It's nice to know that I am still considered a sister to you all even though I haven't been able to get to church because of all the operations and illnesses I have had in the past few years. I still live with Christ in my heart every day and I am glad I still have brothers and sisters at 4 Bell.

THANK YOU ALL SO VERY MUCH FOR LIFTING MY SPIRITS WITH THE CARDS AND KEEPING ME IN YOUR PRAYERS ALL THIS TIME.

In Christ's name thank you all again.

Alice Reitz

# Other Fundraisers

## Pennies For Puerto Rico

The youth at FELC will continue to collect change in buckets during the offering starting April 28th and continuing each Sunday through May 26th.

The coins collected will go towards the cost of building and repair tools and supplies to be purchased in Puerto Rico for WorkCamp.

## Children's Coin Collection

FELC Workcamp will be going to Puerto Rico June 22-29 to do whatever we can to help! We will clean up, help build new homes, put a roof on a home, paint...whatever they need. We will also be buying school supplies and anything the children will need to continue learning.

We are asking you to take a brown container and decorate it any way you want and put your name on it. Then ask your friends and family to put coins (or dollars) in the cup. We are asking you to bring these cups back on Sunday, May 26th! ALL the money from these cups will be used for the children in Puerto Rico!!! It's all from YOU!

It would be really nice if you would draw a picture or write a note to the children and let them know you are thinking of them! Also please put a note inside your cup to let our youth know what you want to buy with your money for the child(ren). Maybe a puzzle? Markers? Crayons? Soccer Ball? YOU CHOOSE! Then our youth will take your cup of money and buy that item in Puerto Rico and take pictures of them giving your gift to the child(ren).

The ideal time to pick up at the store is between 9:45 a.m. and 10:00 a.m. Pick-up location is at the rear of the store loading area. Volunteers should have a pickup, SUV or minivan type vehicle to transport the items to the church kitchen. The following 2019 dates are available:

Sign up on the bulletin board or contact Gary Hackenberg to schedule one or more of these dates. Thanks for your help in continuing to make this vital ministry successful.

## Public Sale Food Stand

## June 2 Parish/CommunityWorship, Picnic & Block Party at the Park

Mark Sunday, June 2, on your calendars. A community worship service, picnic and community block party will be held at the Mifflinburg Community Park. All three events are sponsored by the Buffalo Valley Lutheran Parish.

At 10:00 a.m., we will begin the day with worship at the park. Bring your lawn chairs and meet us at the gazebo.

A picnic follows worship. The Parish will supply hot dogs, hamburgers and drinks. We welcome covered dishes to share with others.

After the picnic, various types of games and events for the kids and adults are planned. The community pool is planned to be open during block party hours.

Everyone is invited! Bring your family and friends and enjoy yourselves! Let's enjoy several hours of fun and fellowship together as one parish and as one community.

## Hope's Haven Food Distribution Ministry

A Temple Talk about our Hope's Haven Food Distribution Ministry at Christ's United was given on Palm Sunday. Attached is the body of that "talk". A section of this presentation is an appeal to have the whole parish join in on a food drive for specific items. It was proposed that each church establish a collection point during the month of May that will allow contributors to drop their donated items. Please call Gary Hackenberg, at 570-768-2781, if any help is needed to determine logistics of the appeal and/or collection. We look forward to this collaborative effort in helping to reduce those families with "Food Insecurity" in Union County.
